

Florence's Comfort House

December 1, 2007

To Our Dear Friends & Supporters of Comfort House,

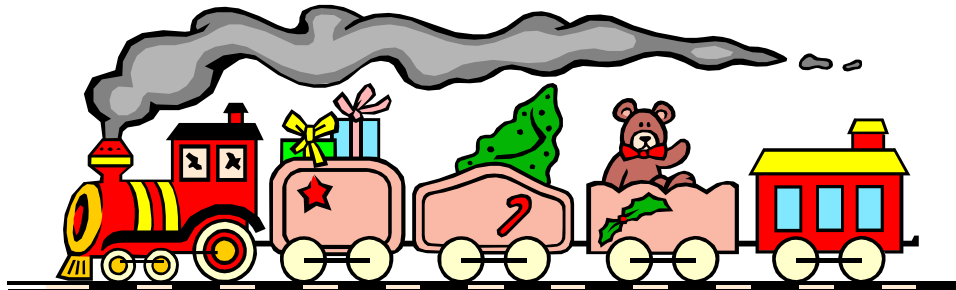

I wish to send you all my love and wish you all a wonderful holiday and Christmas season and a happy, safe New Year!!

Again thank you all for big and small gifts. Because of you all we can continue to see magic and true blessings happen in my little world. I know we all have choices and my choice is to try my best to make life a little easier to whomever I meet that is sent to me. This way I grow and see miracles happen.

I will work hard this year once again and remember my arms are open to all of you. My ears are also open if I can help you.

Remember, We Are Comfort House – without you we cannot move forward.

*Love
Florence*

Merry Christmas and Happy Holidays from Comfort House!!!

What's been happenin' at Comfort House lately?.....

- ♥ 25 full Thanksgiving dinners were distributed to the elderly this year. A big thanks to [Sysco and Ray's BBQ](#) for their generous contributions!
- ♥ Thanks to Clay Norton and Boy Scout Troop 454 who did a terrific job building a butterfly garden in the back yard, as part of Clay's Eagle Scout project!
- ♥ The Comfort House kids continue to help stray dogs and cats get healthy, having them fixed and finding new homes
- ♥ Once again Florence and the kids helped coordinate and participated in "Keep Austin Beautiful" for the Montopolis area
- ♥ Florence continues to work with the Travis County Probation program, coordinating neighborhood projects for these young people
- ♥ Florence presented to a Women with Children's session at Narcotics Anonymous annual convention
- ♥ On a personal note, Florence participated in her first art show, Travis Heights Art Trail. She especially thanks Amy Meyer and Ann Landeros for all their time and hard work!

CD Recording available!

Peggy Grose (Licensed Counselor, and volunteer/Board Member) has recorded a 45-minute interview with Florence. Florence discusses how she started Comfort House, and why her heart is drawn to helping those in need. It's very fascinating and touching (as you can guess!).

Please contact Florence or Mimi Bramuchi for a copy of the CD (\$10 simply to cover CD and shipping). Mimi: 512-918-0755 or mbramuchi@austin.rr.com.
